[♪ Johnny Mathis, – When Sunny Gets Blue ♪]

♪ When Sunny gets blue, her eyes get grey and cloudy. Then the rain begins to fall. Pitter-patter, pitter-patter. Love is gone so what can matter? No sweet love a man comes to call. People used to love to hear her laugh, see her smile. That's how she got her name. Since that sad affair, she's lost her smile. Changed her style. Somehow she's not the same. But memories will fade. And pretty dreams will rise up. Where other dreams fell through. Hurry new love hurry here. To kiss away each lonely tear and hold her near when Sunny gets blue. ♪
